Colouring Companion

Being Kind
to George

Written and illustrated by
Jo Dunningham

Oliver was a 'lob-a-lob' type of dog.

.... he tried desperately to get every one of his four long legs going in the same direction!

.....out popped a little round head on a very long, scraggy and somewhat skinny neck.

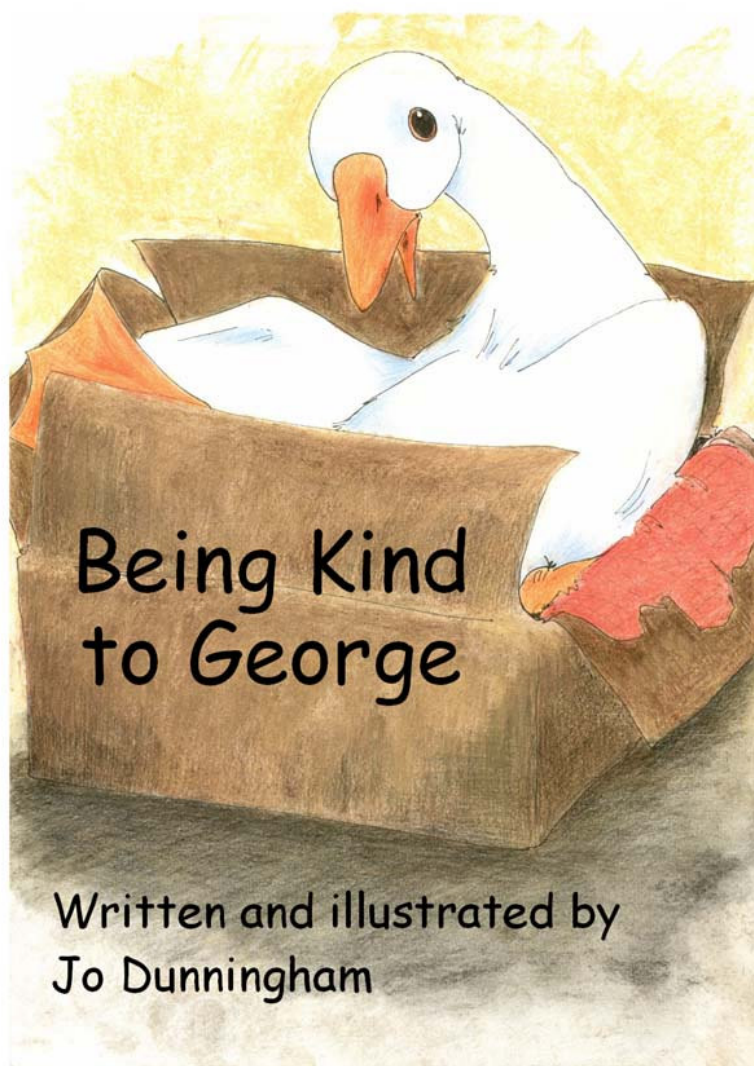

The goose was very hungry...

George clumsily came into land by Greg's feet.

I hope you enjoyed colouring in my pictures as much as I enjoyed drawing them for you.
